

little effort, big impact

When you donate to Jewish Family & Children's Service (JFCS) through the Arizona Charitable Tax Credit, you're changing lives by providing behavioral health, healthcare and social services to people right here in Maricopa County.

When you file your taxes, claim the credit by using the code 20255 on AZ form 321. Then, you'll get your donation amount back in your state taxes, either as a deduction to your liability or an increase to your refund. Single taxpayers can receive a charitable tax credit up to \$421 and couples filing jointly can receive up to \$841.
